- Reporting, tracking, and planning daily to management regarding activity acquisition.
- Provided 1st-level troubleshooting support.
- Performed mobility in different cities in South Korea.
- Performed all kinds of testing such as UAT, Mobility, etc.
- Organized complete logistics for the project with the help of the technical lead.

MEASUREMENT ENGINEER

Vision PS GmbH

February 2022- Current

Seoul, South Korea

Project : Network Benchmark Testing

Client : Umlaut

Achievements/Tasks

- Collected large amounts of voice & data samples using TEMS Paragon 5.
- Reporting, Tracking, and Planning daily to management regarding activity acquisition.
- Provided first-level troubleshooting support.
- Responsible for the complete setup of the cars and hardware including Antennas.
- Quality assurance for the complete project.

SKILLS

Testing Methodologies	Agile & Scrum
Programming Language	Java, Python, C
Automated Testing Tools	Selenium (Basic)
Bug Tracking Tools	JIRA and TestRail
Automotive tools	Vehicle Spy, CANalyzer, DET, ULT, WinScp, Charles
Automotive communication protocols	CAN and Ethernet
App Development	Android Studio, Firebase
Operating System	Windows, Linux, MacOS
Documentation	Microsoft Office (Excel, Word, Powerpoint)
Others	Organizing and reporting skills, strong analysis skills
Language	Bangla(Native), English(Full Professional Proficiency), Hindi(Basic), Korean(Basic)

EDUCATION

SEJONG UNIVERSITY

BEng. in Computer Science and Engineering

Seoul, South Korea

- Graduated with 91.3% (CGPA 3.73)
- Sejong University International Scholarship
- **Courseworks:** Data Structure & Algorithm, Computer Architecture, Software Engineering, Web & Mobile Programming, Artificial Intelligence, Human-Computer Interaction

Certification

- Diploma in Software Testing | **Alison 2022**
- Mastering CAN Network: Vector CANoe, CANalyzer, CAPL & Theory | **Udemy 2022**
- Selenium Fundamentals | **Alison 2022**
- Advanced App development | **Udacity 2020**
- Agile Project Management with Jira | **LinkedIn 2022**

Volunteering activity

BANGLADESHI STUDENT'S ASSOCIATION IN KOREA

Executive Member January 2019-September 2021

- Represented Bangladeshi Students' Association in various international events
- Organized events and seminars
